AV CONNECTION SET

silentlab

Do you have a client or a team member on the other side of the world?
Our soundproof office pods come fully equipped for video conferencing,
making it easy to install your own devices. This ensures a video call
experience that comes remarkably close to meeting in person.

OPTIONAL
EQUIPMENT

AV CONNECTION SET

The AV connection set is seamlessly integrated during production. Combined with excellent soundproofing, modern features, and superior audio and video quality, it creates the perfect environment for professional meetings.

The FOCUS acoustic pod is equipped with an ergonomic arm integrated into the table, designed to hold a monitor.

The AV connection set in the CHAT⁴, SUMMIT⁴, SUMMIT⁶, and SUMMIT⁸ acoustic pods includes a VESA mount for attaching a TV to the rear glass wall and a pair of sockets for power connection.
